**Family time**

**Talk** How have you seen God at work this week?

**Do** Make a decision to embrace each other more this week, and to embrace trying something new as a family, e.g. eat a new type of food or do a new shared activity.

**Pray** Close your eyes and give yourself a hug. Then, as you pray together, imagine that God is embracing you with his arms, sharing his love with you.

Look for the five small differences that make Thomas's embrace with Jesus look very different.
