

Luke 7.1-10

Jesus is asked to heal a Roman centurion's slave. The centurion shows great faith by believing that Jesus can heal his slave from a distance, simply by saying the word.

The centurion's slave was sick and the centurion was worried that he might die.

Activity 1

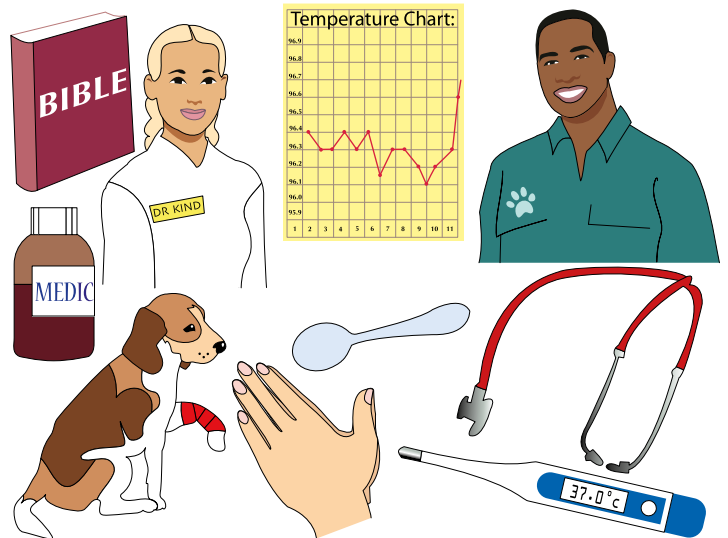

Find these words connected with healing in the word search.

- care
- prayer
- God

Activity 2

Draw lines to link the pairs of pictures together.

PRAYER

Loving God,
 bless, heal and comfort
 all who are ill or sad today.
 In Jesus' name.
 Amen.

Live in faith

Find out the name of someone from church who is ill, and pray for them every day this week.
