Dear Rev Christoph

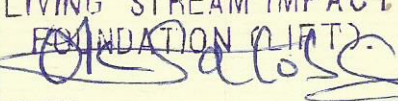

APPRECIATION TO ST MARY DENHAM PARISH

It is with hearts full of gratitude that we write to appreciate the entire congregation of St Mary Denham Parish for your show of love to all of us at **LiFT Little Angels Orphanage Home**. We also use this opportunity to acknowledge the gift of 1000 British Pounds from your Church and another 2000 Pounds from a member of your Church who made his/her donation anonymously.

A borehole was dug with the 1000 Pounds in LiFT Little Angels Orphanage Home permanent site and with the 2000 pounds, doors and windows have been fixed in the building and the Septic Tank and the adjoining chambers has been dug.

Thank you for your help and support to give a home to the Orphans and abandoned children under our care. We thank the Rector and the entire congregation for your kind-heartedness and generosity. Your gesture is greatly appreciated and we pray the God of peace will bless and reward you abundantly, amen.

Yours Faithfully,
