

## Cathy Macqueen

Hello, my name is Cathy. I am married to Chris Macqueen and we have two sons. Jonathan (high school geography teacher) is married to Abi and they are about to move to Plymouth where Abi will train as an anaesthetist. Timothy is an ecologist and you can spot him at St Mary's helping out at Forest Church and Destiny. Chris and I married in 1990 and moved into the Uxbridge area as Chris was lecturing at Brunel University and I worked as a dietitian at Hammersmith Hospital.

When the boys were 8 and 10 years old, we moved to South East Asia, initially working for the Leprosy Mission based in Malaysian Borneo and then for World Vision in Cambodia. Returning after a decade overseas we had changed and wanted to find a new church, with a friend recommending that we consider St Mary's. Within a couple of visits, we both quickly felt at home and have really enjoyed getting to know and be part of the St Mary's family. Chris sings in the choir and is on the PCC whilst I have been involved in supporting Café Church, the Welcome Team, leading a Bible Book Club and editing Denham Parish News.

I work (Monday-Thursday) as a community dietitian for Berkshire Healthcare Foundation Trust. This involves a combination of working from home, the office (Windsor) and completing home visits (Slough and Windsor) to the frail elderly and those who are artificially tube fed. It is a role which provides plenty of job satisfaction and even the occasional cup of tea when completing a home visit!

I was surprised when asked to consider becoming a Church Warden and it isn't a role that I am taking on lightly. With God's grace, I seek to support and serve you all, that together we may show the love of Jesus within our community.
